

Bullying and Harassment Awareness

Core Course

Ignite safer, more inclusive dance spaces with a powerful course that gives you the awareness to recognise, prevent, and respond to bullying and harassment in all its forms.

You will learn to spot damaging behaviours both in person and online, understand their impact on individuals and groups, and take confident, professional action when incidents arise. With clear guidance on your responsibilities as a teacher and practical strategies for creating a culture where everyone feels safe to learn, move, and thrive, this course equips you to lead with integrity and set the standard for positive dance environments.
