

Inclusivity based on Invisible Disabilities

Optional Course

Elevate your teaching practice with this course that uncovers how invisible disabilities shape learning in SBK social dance and shows you exactly how to teach inclusively with confidence.

You will learn how to recognise hidden barriers, make effective reasonable adjustments, and create safer, more accessible classes for every adult learner.

This is your toolkit for staying legally compliant, empowered, and ahead of best practice in inclusive dance education.

Lessons

1. Teacher's responsibilities
2. Understanding Invisible Disabilities
3. Identifying Invisible Disabilities in Dance Settings
4. Core Principles of Inclusive Teaching
