

Prevent Training

Optional Course

Kick-start your Prevent knowledge with links to two high-impact awareness course created by .GOV.UK designed for anyone working with the public.

You will get a clear introduction to what Prevent is, why it matters, and how it applies to your role, while learning to spot emotions and behaviours that may signal vulnerability to radicalisation and understanding the key risks and forms of extremism threatening the UK.

Sections:

- Awareness course
- Referrals course

1 hour course

One assessment: Proof of both courses' completion
